

Arts of the Angler
Programs, Demonstrations, and Seminars
BOTH DAYS THROUGH OUT THE SHOW ON THE SHOW FLOOR

Bamboo 4 U? Bamboo Rod Making Tips and Techniques with master rodmaker, David Van Burgel will be provided through out the show in the Cane Corner. You can ask David any question about bamboo rods or how to make them... he will have all the answers.

Real Reel Questions will also be answered by the authority in all types of reels, contemporary and collectible by Jim Schottenham and the Old Reel Collectors Association (ORCA). A fine reel collection will be on display.

Whatizit??? If it is fishing tackle, bring it in and Jerry Girard will give you history and insurance value to that attic treasure. Rods, reels, flies, catalogs, paintings, lines, leaders...what have you...bring it in.

Fly Fishing Book Exchange. The CFFCM will have a 'Book Exchange' area set up to display used books for sale. The process is simple: 'book sellers' are required to put their selling price and initials on the top right hand corner. This Book Exchange has been designed to give attendees the opportunity to sell their old and used outdoor sporting books or pick up some to fill their library.

12:00 Noon Meet Keith Fulsher at the CFFCM tables for a preview of his new book: **Atlantic Salmon Flytyer A Memoir**. Keith share's his most memorable fishing trips, some advice on Atlantic Salmon fishing, history, clear and explicit step by step tying instruction, and over 40 of his favorite patterns never released until now. This new book is currently in production and will soon be available. The First Printing is limited to 250 copies. Order now and we will ship upon arrival at no additional charge. This 8 x 10 large format hard cover book can be ordered signed or inscribed. Price \$34.95. Special Edition, limited to 40 with one fly from the book, \$75. All proceeds from the sale of this book go to The Catskill Fly Fishing Center and Museum, from the generosity of the author.

Saturday, November 15, 2008

ALL PROGRAMS ARE FREE TO SHOW ATTENDEES AND WILL BE HELD IN THE BROOKFIELD PROGRAM ROOM (UPSTAIRS)

9:30 AM Reading Water with Dave Brandt. How to find fish and make them bite. Dave will share with you the secrets to finding fish... if they are there. Why fritter away your fishing time exploring every inch of water? There are ways to approach a specific type of water and know just where the fish are. Don't waste another minute wondering where the fish are, simply pick up some pointers and find them.

10:30 AM Creative Fly Tying with 'Fishy'. Everyone knows Fishy from his many Appearances at fly shows, speaking engagements, and his Creative Fly Tying column in Fly Tyer Magazine. He does it all with whatever is available. Now you can see first hand what he is currently up to. Jay 'Fishy' Fullum has put together a fine power point presentation that brings you onto his side of the vise. The magic he does with the most unusual materials will amaze you and open the door to another dimension in fly tying. (Fishy pinches in for previously scheduled program with Jerry Stercho who is recovering from emergency surgery.)

11:30 AM Working With Wulff's This program change will feature David Brandt sharing his knowledge and experiences working as a casting instructor for the Wulff Fly Fishing School

12:30 PM Lake Ontario Tributaries in the Salmon River Corridor with Fran Verdoliva. Absolutely no one knows more about the Salmon River and the species it holds than Fran Verdoliva. Pioneer fly fisher for salmon and steelhead and now the Salmon River Program Coordinator, Fran will bring you up to speed on the fish and the fishing on the Salmon River, yesterday, today, and tomorrow.

1:30 PM Effective Simple Dry Flies with Harold Williams.

Harold B. Williams knows his way around a vise, how to handle materials and turn them into deadly patterns. This session is an informative session for any tyer trying to produce simple patterns to produce on the water. There will be no re inventing the wheel here, just some solid basics for the box.

2:30 PM Refinish or not to refinish ...Bamboo Rods. Bamboo Mike Longuil will give you all the answers you have on whether or not to refinish an old bamboo rod, selecting a used bamboo rod, rediscovering the beauty and careful choices in refinishing. This guy knows it all and he will tell you that. He will also tell you how to identify that diamond in the rough.

3:30 PM Beginning in the Salt. John Klemm, Jr. will tell you what you need to know before venturing out into unknown saltwaters. The equipment, when to go, what flies to use, and what to expect. Making the transition from fresh water to saltwater is not as difficult as it may seem. This fine session will clear up any questions on how to enter the saltwater and succeed.

5:30-7:00 PM Stay around and have a sumptuous buffet dinner in the Danbury Plaza Hotel center court restaurant before the live auction;

7:00 PM Live Auction Just outside the Show Ballroom **in** the assembly area.

Sunday, November 16

ALL PROGRAMS ARE FREE TO SHOW ATTENDEES AND WILL BE HELD IN THE BROOKFIELD PROGRAM ROOM (UPSTAIRS)

10:00 AM Lake Ontario Tributaries in the Salmon River Corridor

with Fran Verdoliva. Absolutely no one knows more about the Salmon River and the species it holds than Fran Verdoliva. Pioneer fly fisher for salmon and steelhead and now the Salmon River Program Coordinator, Fran will bring you up to speed on the fish and the fishing on the Salmon River, yesterday, today, and tomorrow.

10:30 AM- Noon- >>>Fly Tyers Garage Need a tune up? Crowding heads, bent wings, floppy tails, poor thread performance, working with new tools? Our top-notch mechanics: Fishy, Pangburn, Klemm, Farmer, Williams, Marino, and Brenner will provide diagnostics to tune up your tying. . **Bring your tools and materials.** No estimates involved, all tune-ups are free.

11:00 AM Creative Fly Tying with 'Fishy'. Everyone knows Fishy from his many Appearances at fly shows, speaking engagements, and his Creative Fly Tying column in Fly Tyer Magazine. He does it all with whatever is available. Now you can see first hand what he is currently up to. Jay 'Fishy' Fullum has put together a fine power point presentation that brings you onto his side of the vise. The magic he does with the most unusual materials will amaze you and open the door to another dimension in fly tying.

12:00 Noon Made in Labrador, 20+ years at Minipi Dave Brandt is back with a presentation that will make any brook trout fisherman sit up and take notice. Huge, colorful, and mighty brook trout at 8 lbs that take tiny trout flies readily as if they were candy. The only thing is that it has to be the flavor of the day. This magnificent presentation will take you to Minipi Lakes to discover a wilderness as beautiful as the fish. If you go once, you will always want to return.

1:00 PM Selecting a Used Bamboo Rod with Bamboo Mike Longuil. Take the Frustration out of seeking the right used bamboo rod for you. Mike will take you through the process of what to look for and why in choosing a bamboo fly rod. Not every rod is for every fisherman. A 'hands on' program on action, cosmetics, and utility.

Program Schedule subject to change
