July 3, 2007

According to Chairwoman, Judy Van Put, "It only gets bigger and better". The Second Annual Sullivan County Jubilee Day will once again be held at the Catskill Fly Fishing Center and Museum on August 4, from 11-4.

Celebrating birthday milestones are Keith Fulsher (85), Ted Rogowski and Sandy Stone (80), Nick Lyons and Horsewoman Mary Lewis (75), and wedding anniversaries of Keith and Lois Fulsher celebrating their 60th and Nick and Mary Lyons their 50th; and one more...Agnes Van Put will celebrate her 91st birthday. Share your celebration with your family and community. It's a great day for everyone. Call the CFFCM and be included; it is a great place for your family to gather.

The day will kick off with a 'kids only (12 and under) fishing derby' to be held at the pond with prizes for first fish, most fish, largest fish and smallest fish. Kids are to bring their own tackle and favorite baits. The Kurpil Family Fiddlers will provide their fine music as the Livingston Manor Presbyterian Church serves their famous BBQ Chicken. There is more fun for everyone. Kids can enjoy a petting zoo and pony rides, everyone in the community can visit both local health facilities: Crystal Run and Catskill Regional. The many participating vendors include Glass Awakening, Ashalter's Maple Syrup, Moxie Alley Bath & Body Botanicals, Wild Roots Farm, Catskill Mountain Keeper, Cornell Cooperative Extension and Department of Environmental Conservation. Local organizations such as Manor Rotary, Livingston Manor PTSA and Junior Class, LMFD Manor Hose Auxiliary, and Sullivan County Sportsman Association providing goods, information and games.

Chicken will be served from noon until 3, save a buck with advance purchase by July 30 with tickets at Annie's Place in Roscoe, Firbrook Flies and Supplies or the CFFCM in Livingston Manor. \$8 in advance, \$9 at the event.

The Great Willowemoc 50/50 Fish Race will take place at 2:00PM and cake will be served immediately after. Don't miss this great chance to mingle with the community and make it a special day for everyone.

The 2007 Jubilee Day is supported and sponsored in part by The River Reporter.
