The Annual Summerfest and Angler's Market will be held on Saturday, August 25 from 9-3, at the Catskill Fly Fishing Center and Museum. This annual event brings out the best in fishing treasures discovered over the past year from the closets, attics, and basements. Every year attendees search over 100 tables in the quest to find that unique outdoorsy thing, hard to find fly tying material, fishing gadget or obscure book.

Don't know what you have? Trash or Treasure? Bring your fishing related item to the **Fly Fishing Antiques Road Show** table for an identification and insurance appraisal. You'll never know what you have unless you bring it in.

Don't miss this wonderful opportunity to see old friends and spend the day at the CFFCM viewing the latest exhibits and the newest addition, Artist and Sculptor, Paul Theising's 10 foot Trout....a real Kodak moment.
